

PEGASUS®

EX Series

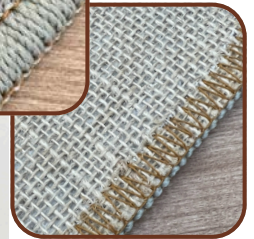

EX5205H-A5/585-10/Y
Decorative stitch for carpet edge

Ideal for sewing carpets

1-needle overedger machine for decorative stitch
on extra heavy weight fabric

Carpet

Car floor mat

Decorative stitch for extra heavy weight fabric such as carpets, car floor mats, blankets, etc.
The sewing capacity and feeddog's movement are large, which are ideal for extra heavy weight fabric.
Also, the beautiful stitch will be achieved by sewing while trimming the fabric edges with a scalpel.

Subclass	Needle	Thread	Overedge width(mm)	diff feed ratio	Presser foot lift(mm)	R.P.M.
